Join In!

St Paul's is delighted to host a Christmas Tree Festival this year and we'd love you to join in!

All local schools, groups and businesses are invited to decorate a Christmas Tree to display in the Church sanctuary. We are running three events to showcase the trees from the 18th December.

Please come along with family and friends, everyone is welcome and the events are free to all. The trees will also be on display at our Christmas Services which you are very welcome to come to. We will be celebrating and promoting the Christmas Tree festival on the Church Facebook page so please share photos with us if you wish.

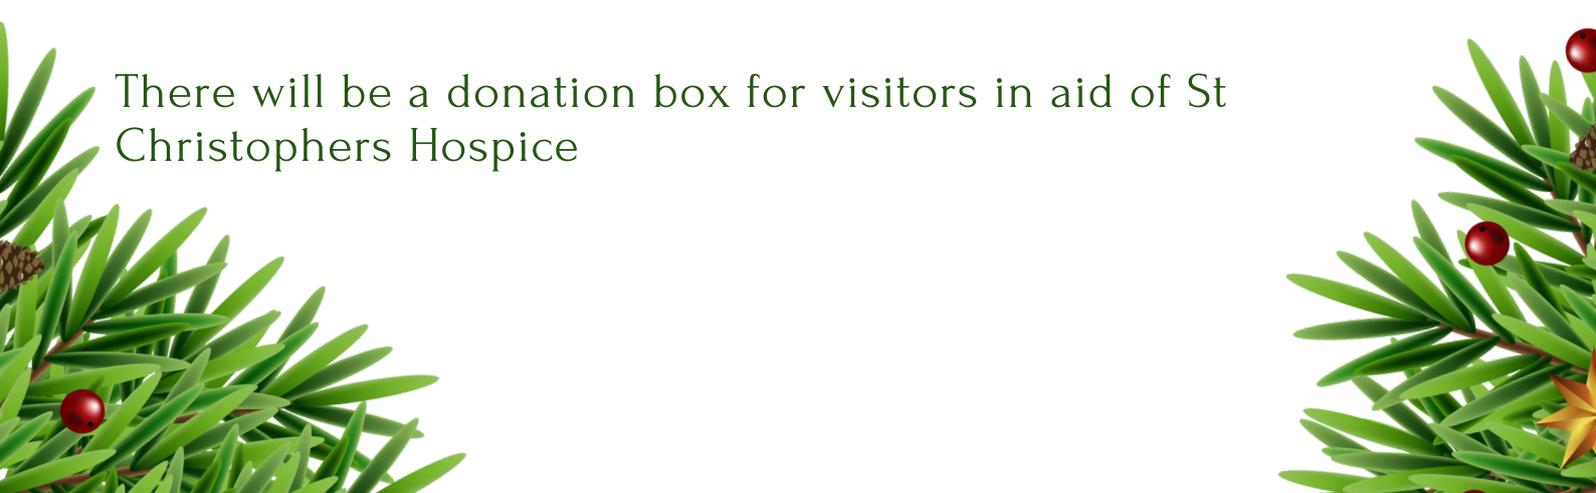

For more details please check out our website

Christmas Tree Festival Dates

Saturday 18th December 4pm - 7pm - A family friendly event with children's activities (such as biscuit decorating and a lucky dip!), music and refreshments.

Tuesday 21st December 4pm-6pm and Thursday 23rd December 7pm - 9pm. These events will have music and refreshments and all our welcome.

There will be a donation box for visitors in aid of St Christophers Hospice

Guidance on decorating your tree

- 5ft max height for trees please (real or artificial).
- You will need to provide your own tree, all decorations and lighting (optional).
- If you are having lights, these must be battery operated with the battery pack easily accessible at the front/lower part of your tree.
- You are welcome to leave leaflets/fliers advertising your organisation by your tree. If you choose to leave a donations box, we are unable to take responsibility for this and you do so at your own risk.
- Please avoid using any food items on the trees.
- Please send a short narrative about your group/school etc and contact details for us to include in the festival guide.

The trees can be decorated in a way that reflects your community group/school/business- therefore a chance to let your imagination run wild!

Set up and collection

Please bring your tree to the church between 5pm - 8pm on Friday 17th December or by arrangement if this is not possible.

Collection of your trees and decorations by arrangement during January.
