

St Paul's URC, South Croydon
Safeguarding is a priority here

As a Christian community in South Croydon we recognise that all are created in the image of God. As we strive to protect the vulnerable and to build each other up in love, we are committed to following legislation and government/denominational guidelines in the safeguarding of children and adults in need of protection, including safer recruitment of workers.

We work to a formal safeguarding policy, which is available from the noticeboard outside the Vestry (near corridor door to church) or on our website (www.stpaulsurc.org.uk)

If you have any concerns about the safety or welfare of a child or of an adult in need of protection, please speak to our Safeguarding Co-ordinator

- or
- **Revd Martin Knight**, *Minister* Tel 07392 463961/0208 406 0667
